### LATENESS

It is a parent's responsibility to ensure their children arrive at school on time. Lateness can disrupt the learning of others and can result in a pupil feeling greater stress and achieving poorer outcomes.

Research shows a close link between attendance at school and a child's achievement. Being late adds up to a loss of learning.

If a pupil arrives after registration has closed the absence will be recorded as unauthorised for that session. If this persists legal action, in the form of a penalty Notice or Prosecution under Section 444(1) of the Education Act 1996 may follow.

St Richard's staff and children would like to give a grateful thank you to Freddie's Friends Charity for their generosity. We have a new sensory room for the children and Freddie's Friends kindly donated a fish bubble lamp for it. The children absolutely love it! Thank you so much.
